Live transformed in the new north

This is where you can enjoy unparalleled connectivity, with a direct train line to both Orchard and the CBD. Where the largest future economic hub in the north resides within your neighbourhood. And an on-site Early Childhood Development Centre, together with schools of every level nearby, offer greater convenience for your family.

At Norwood Grand, true luxury is all of the above. And even more than you can imagine.

True opportunities

Your gateway to new possibilities

Primed for growth

The largest future economic hub in the north, Woodlands Regional Centre is poised to create new job opportunities close to home. As the strategic centre for the Northern Agri-Tech, it also connects the Senoko Food Zone and high-tech urban indoor farms, adding to the growth potential of the area.

Zoned for wellness

Spanning 7.66 hectares, the newly-built Woodlands Health Campus is positioned to be a major health hub for the north with a fully-integrated acute and community hospital and specialist outpatient clinics.

New ways to get around

Bike across all 150km of the Round Island Route, stopping only to sightsee at the connected parks and nature attractions. In a rush for time? Find the transport hub at Woodlands North that connects you to anywhere in the city, or even directly to Johor Bahru's Bukit Chagar Station.

Fresh escapes

Indulge in every facet of nature's beauty. With a vibrant belt of green public spaces made for lovely walks and bike rides, connected to waterfront views of the Straits of Johor.

True connectivity

Your express lane across the island

Getting around is easier at Norwood Grand, with the Woodlands South MRT Station just a 5-minute stroll away. From there, hop on a direct line into the city or across the Causeway. With Orchard Road and the CBD in one direction, and Johor Bahru escapes in the other, you're perfectly positioned to enjoy them all. There's even the North-South Corridor, Singapore's first integrated transport corridor, cutting travelling time from the north all the way down town.

True convenience

Causeway Point

Vista Point

Good food and shopping nearby

Be spoilt for choice. From local delights at Marsiling Mall Hawker Centre and Kampung Admiralty, to your fill of eateries and shopping at Vista Point, Causeway Point and Woodlands North Plaza. Or zip across to Johor Bahru and make it a day of cafe-hopping and shopping.

Innova Primary School

Republic Polytechnic

Close to good schools of every level

You're well-covered from an on-site Early Childhood Development Centre, to nearby schools like Innova Primary School, Christ Church Secondary School and Republic Polytechnic.

Woodlands Waterfront

Admiralty Park

Parks and playgrounds all around

Be a short bike ride from the new and gorgeous Woodlands Waterfront and Woodlands Discovery Playground. Or a short drive from familiar favourites like Mandai Wildlife Reserve and Admiralty Park, home to the most slides in Singapore.

True revitalisation

Family fun made easy

For a BBQ party, a tennis rally or a get-together in the Function Room, simply book a slot on our smartphone app.

Refresh and recharge

Dive into a 50m pool made for laps, family time, or quiet contemplation.

Hit your stride

Work out in a cantilevered Gymnasium while you take in plush views of the pool and verdant surroundings.

Where nature rejuvenates

It's not only the greenery you'll love here, but also knowing that several common facilities you enjoy are also co-powered by solar energy. Something you can always count on in a luxury home by one of BCA's most-awarded developers in sustainability.

Tranquil Swing

Childcare right where you live

Going about your day-to-day is a breeze at Norwood Grand. An on-site Early Childhood Development Centre means you'll never have to go out of your way. With thoughtfully planned facilities and a Treehouse Playground, your kids will have everything they need to flourish over their most formative years.

True joys

Cool down in every way

Lush trees provide natural shade for your kids as they play, while the Tranquil Swing and a Family Lounge offer precious moments of respite after a day's work.

Green design meets smart technology

Norwood Grand has been conferred the Green Mark Platinum Super Low Energy award by BCA under the newly launched Green Mark (GM2021) Criteria with the Whole Life Carbon and Maintainability Badge. With these accreditations in place, your home is now a place where you can enjoy all-round efficiency with green features incorporated into your everyday life.

Passive Cool Design Architecture

- Norwood Grand is designed to minimise direct west-facing units
- Units are designed to optimise natural ventilation with the help of a ceiling fan provided in each unit to achieve thermal comfort
- Units are designed with balconies and feature a good selection of glass specifications to minimise heat gain within

Environmental Quality and Protection

- Use of environmentally-friendly products certified by approved local certification bodies for all internal finishes both within units and in common areas
- Use of low Volatile Organic Compounds (VOC) paints for internal walls to reduce indoor air pollution
- Careful material selection to reduce the overall embodied carbon of the development, minimising the carbon footprint

Water Efficiency

- Water-efficient fittings are provided for all units

Energy Efficiency

- Energy-efficient air conditioners for all units
- Energy-efficient lighting at communal facilities
- Provision of demand control strategies for lighting and air conditioning at communal facilities to minimise energy wastage
- Energy-efficient lifts with Variable Voltage Variable Frequency (VVVF) drive, sleep mode and regenerative power feature
- Provision of renewable energy to offset partial common area consumption to be self-sustainable

Other Green Features

- Lush greenery and water bodies within the development to reduce heat gain into the building
- Pneumatic waste collection and disposal system
- Provision of bicycle lots at basement to promote green transport and healthy lifestyle
- Smart community application for residents to book the facilities and provide operational feedback

Smart home

Take everyday conveniences to the next level, be it with smart air conditioner control to remotely access your room's temperature, or smart digital lockset and camera to enhance home security.

When you can count on your smart home to take care of the details, you can go about your daily life with ease and assurance.

Smart Home Gateway

- Connects all smart appliances, allowing you to remotely control them via the Smart Home App on your mobile device

Smart Surveillance

- Enjoy the added security of remote surveillance with smart camera at home

Smart Lighting Control

- Lights up the foyer automatically for a warm welcome home or program the lights to come on when intruders are detected

Smart Digital Lockset

- Enjoy the convenience of locking and unlocking the door via mobile app, fingerprint, PIN code, key or integrated access card

Smart Air Conditioner Control (Living Room and Master Bedroom only)

- Hot day? Turn on the air conditioning remotely and have the home cooled in preparation for your return, or check if you have forgotten to turn it off anytime

Smart community

Smart Invitation

- Pre-register your visitors and generate a QR code to allow them easy entry to the development

Smart Booking

- Check on the availability and pay for the booking of facilities

Smart Parcel

- Parcel station offers a secure and convenient package pickup

Smart Chat

- Connect with your neighbours via in-built resident chat feature

Smart Parking

- Fuss-free submission and approval of your season parking application

Smart Audio Video Telephony

- Let visitors announce their arrival at the lift lobby so you can let them in with a simple tap

The statements, information and depictions in this brochure are not to be relied upon as statements or representations of fact, offers or warranties (whether expressly or impliedly) by the developer or the developer's agents and they are not intended to form any part of the contract for the sale of the housing units. Visual representations such as renderings, illustrations, pictures and drawings are artists' impressions only and photographs are only decor suggestions and cannot be regarded as representations of fact. The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to the developer's architect's selection, market availability and at the sole discretion of the developer. All information and specifications contained in this brochure are subject to such changes as are required by the relevant authorities or the developer. All plans are subject to any amendments which are required by the relevant authorities. All areas and measurements stated in the brochure are approximate only and subject to final survey. The Sale and Purchase Agreement contains the entire agreement between the developer and the purchaser and supersedes and cancels in all respects all previous representations, warranties, promises, inducements or statements of intention, whether written or oral made by the developer and/or the developer's agent which are not embodied in the Sale and Purchase Agreement.

Smart Home: The unit will be provided with the following items: a) Smart Home System Gateway, b) Smart IP Camera, c) Smart Digital Lockset for Main Door of the Unit, d) Smart Lighting Module for foyer light, and e) Air-Conditioning Controls for Living Room's and Master Bedroom's Air-Conditioner Units only (collectively, "SMART Home System"). The make, model, brand, design and technology of the SMART Home System to be supplied and installed in the actual unit may differ from the above illustration and are subject to change. Terms and conditions apply. Buyers shall be required to liaise with the smart home vendor instead of the developer to make all arrangements for the set-up, configuration, subscription and use of the SMART Home System, and for any queries, maintenance and/or upgrade issues with the SMART Home System. Additional items/devices which are not listed above are not included in SMART Home System and may be purchased from the smart home vendor directly and installed at buyers' own costs after the handover of the unit.
